# INTEGRITAS

I'm sure you would agree that integrity is a very important value, a wonderful quality that we would hope our children will actively and consistently adopt and apply to their own lives. Integrity is one of our College core values and, along with 'Community' and 'Service', is a whole-school focus for 2017. These values will regularly feature in our devotional sessions, assemblies, chapels and also everyday in the classroom.

In attempting to explain the meaning of integrity to students both young and older, I generally use the following basic definition: 'The way you behave when no one is watching you reveals your level of integrity'

In my research into the origins of the word integrity, I came across the following extract, taken from a speech given by Marine General Charles C. Krulak during the Scope 2000 Conference.

*"Integrity as we know it today stands for soundness of moral principle and character. The word integrity itself is a martial word that comes to us from an ancient Roman army tradition."*

During the time of the 12 Caesars, the Roman Army would conduct morning inspections. As the soldier struck his armour, he would shout "integritas", (in-teg-ri-tas) which in Latin means material wholeness, completeness, and entirety.

At about the same time, the Praetorians were ascending into power and influence. These elite soldiers received the finest equipment and armor. They no longer had to shout "integritas" to signify that their armor was sound. Instead, as they struck their breastplate, they would shout "hail Caesar" to signify that their heart belonged to the imperial personage - not to their unit - not to an institution - not to a code of ideals. They armored themselves to serve the cause of a single man.

We can learn much about integrity from the ideas expressed by the General; God calls us to '...take up the full armour of God, so that you will be able to resist in the evil day, and having done everything, to stand firm' (Philippians 4:13).

We, like the Praetorian's, are called to serve the cause of a single man, Jesus Christ, who was fully man and fully God. Let us continue to stand firm in faith, hope and love, as we continue, in partnership, to raise and educate a generation who will serve God's purposes with integrity.

# STRONGER

Those who hope in the Lord  
will renew their strength.  
They will soar on wings like eagles,  
they will run and not grow weary,  
they will walk and not be faint.

### YEAR 10 WORK EXPERIENCE

As part of the Year 10 experience, all students aged 15 years and over are required to complete two weeks of Work Experience with an employer. Work Experience can be a very rewarding experience for all involved. It can serve to not only facilitate the investigation of career choices by students; it can also lead to part-time work for some. For this reason, it is recommended that you choose a Work Placement with an employer or industry related to a career you may wish to pursue.

The Work Experience Program will take place from Monday, 20th March to Friday, 30th March 2017. We are most grateful for the support of Mrs Lenna Waters, who coordinates this program at Northside Christian College.

### SAC CALENDAR

Please be aware that a SAC calendar for both Unit 1 and Unit 3 has been released. This document provides an overview of when students are due to complete assessment tasks throughout the semester. Please contact Ms Laura Bovey in the VCE Administration Office on [lbovey@ncc.vic.edu.au](mailto:lbovey@ncc.vic.edu.au) if you would like to receive a copy.

### GAT

Senior students need to become accustomed to having their dictionaries with them and not relying on Google. All students should have a dictionary and it should be with them in English classes at the very least. Students undertaking Unit 3 & 4 studies will be sitting the GAT and will more than likely need to utilise a dictionary during that time, hence the need to become accustomed to it now. The GAT is scheduled for Wednesday, 14th June 2017, between 10.00am - 1.15pm.

The day comprised of the competitive segment where Northside students were able to display their swimming talents. There were medley relays, novelty relays and the traditional bomb and dive competitions. ## VCE MENTORING

This year we have rolled out our VCE mentoring program. Each student in Year 11 and 12 having been assigned a staff mentor. Staff and students meet one on one each week to discuss students' dreams, goals, difficulties and challenges. During these sessions, students work with their mentors on setting short term goals towards overcoming obstacles to success, and then review and reflect on their progress towards achieving these goals in the following session.

It is a testament to the strength of our College Community to see the volume of staff members who have volunteered their time to work with our students in a mentoring capacity. We mentors represent all areas of our College staff, from teaching, administration and welfare departments, all the way from Mr Holtam as Principal to Mrs Tucci in Prep!

We are seeing an increased sense of community as well as rigour and support being sown into our VCE students through this valuable program, and we look forward to strong 'personal best' outcomes for each of our students in response.

## UNDERWATER SWIMMERS!

The NGV is currently showing an exhibition of one of the most influential living artists, David Hockney: Current. The exhibition features over 1200 works from the past decade of the artist's career - some new and many never-before-seen in Australia - including paintings, digital drawings, photography and video works.

This term students in Year 1/2 studied David Hockney's swimming pool paintings and created scenes of themselves swimming underwater. They sketched, outlined, coloured and painted using the media of oil pastels and food dye to create their drawings/paintings.

Here are just a few for you to admire!
